25X1 9. [ ] In the company of [ ] IG  
 25X1A staff, and [ ], met with Mr. William W. Schwarzer, from  
 the Presidential Commission, to discuss his interest in Watergate as  
 it may relate to the Agency. (See Memorandum for the Record.)

25X1 10. [ ] Senator Dewey Bartlett (R., Okla.)  
 called indicating that he would be leaving for Vietnam tomorrow morning  
 and would like some material to take along to Vietnam for reading on  
 25X1A the flight. As an alternative, I asked if he could sit still for a briefing  
 and when he agreed this probably would be the best course, arrangements  
 were made for [ ] NIO/SEA, to brief the Senator later in  
 25X1A the afternoon. Senator Bartlett said that when he gets to Vietnam, he  
 would also like to see [ ] but not in the presence of the  
 Ambassador and in that connection he mentioned that he had a staff man  
 in Vietnam, David L. Russell, whom he would like to have sit in on  
 that briefing. Mr. Shackley, C/EA, was advised.

25X1 11. [ ] Rob Roy Ratliff, NSC staff, called  
 to alert us that Secretary Kissinger's former press aide, Les Janka,  
 had assumed the legislation aspect of Mr. Lehman's job on the National  
 Security Council and would need some assistance with respect to  
 the Harrington resolutions of inquiry (H Res 205, 206 and 207).

25X1 12. [ ] Called Les Janka, NSC staff,  
 regarding the Harrington resolutions of inquiry and I identified for him  
 the Director's 14 February 1974 memorandum to the President via  
 Secretary Kissinger relating to this subject. Janka said there had been  
 plans for a meeting for Saturday to discuss this matter but the meeting  
 had been overtaken by referral to the President's Counsel, Phillip Areeda.  
 Janka said nothing further was required from the Agency at this time but  
 took my home phone number in the event that something further was needed  
 tomorrow. The above was reported to the Director.

25X1 13. [ ] Mrs. Eleanor Garst, Writer/Research,  
 25X1A on the staff of Representative Bella Abzug (D., N. Y.), called and said  
 4:30 Tuesday, 25 February, would be an appropriate time for [ ]  
 25X1A and [ ] NIO/SEA, to come up and brief the Congresswoman  
 on Vietnam.
